

SEXUAL HEALTH TESTING VOLUNTEER

Date last updated: 22/05/23

About the Role:

We're looking for people passionate about sexual health to support with our sexual health testing clinics. You'll be a friendly face who welcomes people to their sexual health testing, provides them with paperwork, explains how to collect a sample, and verifies test results.

Typical duties

- Welcoming people and making them feel comfortable
- Supporting people with paperwork
- Helping determine eligibility for our testing services
- Verifying test results

Skills & knowledge we ask you to have

We think this role would suit someone who has the following skills. If you're not sure if you have these skills or would like to chat to us about developing these skills, please still apply!

- Punctual and reliable
- Comfortable talking to new people
- Comfortable talking about people's sexual wellbeing
- Good communication skills

Benefits of volunteering with us

- Opportunities to develop your skills and understanding of sexual health
- A chance to meet like-minded people
- Being part of a new volunteer team!
- Monthly volunteer social & wellbeing events

Training we provide for this role

We will provide a full induction to the organisation and the team. Chat to your Volunteer Supervisor about additionally training to support with your role and development!

How to apply

Complete our application form: <https://form.jotform.com/220763317176355>.

If you need support completing this form or have any questions, email volunteer@lgbt.foundation.

We particularly welcome applicants who identify as a person of colour or disabled, and/or as trans* as they are currently underrepresented in our volunteer team.

* Trans is an umbrella & inclusive term used to describe people whose gender identity differs in some way from that which they were assigned at birth; including non-binary people.

This role will require a DBS check. We will cover the cost of this check and support you to complete your DBS application as part of the application process.
