

IGNITING QUEER HOPE AND JOY

Your guide to our corporate
membership scheme

WE ARE LGBT FOUNDATION

We are a national charity with LGBTQ+ health and wellbeing at the heart of everything we do. **We celebrate and empower our diverse communities to realise their full potential, every day.**

Our services and activities are a lifeline for those in need. We offer hope and support for LGBTQ+ people on their journey to achieving their aspirations.

Our vision is a world where queer liberation creates meaningful change and a fairer society for us all.

We're proud of the diversity and strength of our communities. We create safe spaces, amplify voices and work with our partners and allies to drive positive change.

Since 1975, we've been transforming the lives of LGBTQ+ people across the UK. The same spirit that fuelled our beginnings still drives us today. We are committed to championing the unique voices, experiences and cultures of LGBTQ+ people across the UK.

We know that challenges still exist, but we're hopeful about the progress we're making. We wholeheartedly believe that it is through our communities, friends, allies and our corporate partners that we can build a world where queer hope and joy flourish.

YOUR CORPORATE MEMBERSHIP WITH US

We help LGBTQ+ people on their journey, when they need us the most.

We do this by:

- Delivering our amazing, life-saving services that empower our communities, including our helpline, mental and sexual health support, befriending, healthcare, recovery, domestic abuse, and housing services.
- Creating spaces where people can be themselves and hold hands with the person they love.
- Pulling together when times are tough and celebrating each other loudly and proudly.
- Standing up against hate and speaking out about the issues that matter.

WHY US?

Our fantastic corporate partners and members are one of the reasons we can be a much-needed lifeline to those in need. Every single bit of support goes back into making all of our services and activities possible.

Without you, we simply wouldn't be able to do it.

We value our members.

And we also appreciate that partnerships are strategic. Your business objectives will be central to our relationship and each membership level has its own benefits.

Your membership to LGBT Foundation provides a simple and effective way to demonstrate your corporate and social responsibility. It contributes to Diversity and Inclusion agendas, and signals your commitment to LGBTQ+ communities. Most importantly, it shows that you are there for some of the most multiply marginalised, but also the most vibrant and diverse and wonderful, people in society today.

Our specialist Corporate Partnership Team will work with you to create an impact. We want to inspire your staff and customers, empower, encourage and celebrate LGBTQ+ communities, and help you leave a legacy you can be proud of.

WE LIKE TO PROMOTE CORPORATES WHO ARE MAKING A DIFFERENCE.
